Alcester Police SNTs. Latest Weekly Report. Sunday 10th July 2022

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Special constabulary

Could you be a local hero and become a special constable?

Our Special constables are voluntary, part-time police officers who work in some of the most important areas of modern policing. Would you be willing to make a real difference to communities in the Leamington, Stratford, Rugby, Nuneaton and North Warwickshire areas?

As a fully trained Special constable, you will have full police powers, wear a police uniform and work alongside regular police officers and police staff, with opportunities for promotion and to develop your leadership and management skills.

In return, you will be required to commit a minimum of 16 hours a month, although many people do significantly more as the hours can be flexible to fit around your work and home life commitments.

We are currently accepting applications to become Special Constables. Click here to join now - <https://warwickshirepolice.tal.net/vx/mobile-0/appcentre-External/brand-3/candidate/so/pm/6/pl/24/opp/145-Warwickshire-Police-Special-Constable-2022/en-GB>
