CLERK/RFO NOTE

The JPC adopted the General Power of Competence on their inauguration as a new Council in May 2019. This power is detailed in the Localism Act 2011

<https://www.legislation.gov.uk/ukpga/2011/20/section/1/enacted>

This effectively provides the JPC with the power to make donations, support local groups and charitable organisations, invest in certain infrastructure projects and provide finance for the good and wellbeing of the community.

HOWEVER

In order to safeguard the spending of public money, it is best practice to obviate any risk by ensuring that the application is for good purpose and that the recipient's financial request is commensurate with the benefit it will provide in the community. 4. Types of projects considered suitable are - improvements to the local environment and amenities, provision of recreational, arts or entertainment facilities.
5. The maximum grant payable per application is usually £8000, other than in exceptional circumstances
6. The council looks for some assurance that both the project and the applicant have long-term viability.
7. Evidence of your organisations own fund raising will be required for every application. The council will not usually support a grant for more than 50% of the total cost of the project or application
8. If a project is still in the planning stage a time-limited offer of a grant may be made conditional upon evidence of a firm commitment to a start date e.g. by placing a contractually
