I have pleasure in attaching the documents as header above for onward submission to Dr. Louise Brooke-Smith.

They are in pdf format, but we can also provide word if deemed more appropriate.

The JPC [QB] have striven to respond comprehensively and with some haste so that the examination can proceed without delay, but should you require any further information, please contact me directly.

I thank you for the update on your recent contact with the examiner and the comments regarding the publication of the ensuing exchanges are duly noted.

Finally, may I thank you personally for the huge effort you have put in on this long journey, we now await the examiners deliberations with great interest.

Yours sincerely

Ray Evans
